Access Request for:
The Bloomberg Lab

PURPOSE: This form allows faculty members to authorize / grant researchers access to the Bloomberg Lab at the Goodman School of Business.

ACCOUNTS: Researchers are required to have staff accounts in order to access GSB printing, managed storage, and account management services. Departmental administrative assistants can assist researchers with obtaining a staff account.

BACKUP YOUR WORK: Bloomberg Lab computers may be reimaged without notice. Please save all work to a network storage location or an external storage device.

ASSOCIATE DEAN’S SIGNATURE: Please complete the following form and return to the Dean’s Office for approval before returning to the GSBTech office in GSB 463.

_____________________________ Given Name: ____________________________
